Hæc Catholica fidei Analysis Catholica est, & erudita, hisq; præsertim temporibus pernecessaria; ut, quam sequuntur Catholici certissimam credendi regulam, eam etiam ñ agnoscant, qui sectarum impliciti erroribus, in ipsis fidei principiis, adeoq; in ipso Christianæ Religionis limine tam turpiter, tamq; perniciosè aberrant. Ita testor ego

ALBERTVS HVNGERVS, SS. Theol. D. Professor & Procancellarius in Academia Ingolstadtiana.

Maximo cum religionis Christianæ fructu atque utilitate hæc R. P. GREGORII de VALENTIA fidei Catholica Analysis typis mandari & publicari potest, cum veritatis Orthodoxæ principia aduersus Sectariorum errores orthodoxè solideq; confirmet.

PETRVS STEVARTIVS LEODIVS, SS. Theol. D. & Professor, ac eiusdem facultatis Theologicae Ingolstadij, pro tempore Decanus.
