Plus ratibus, quàm quæ prominet alta, nocet.

JULIUS CÆSAR

Injuriarum immemor.

OMnia conservat memori sub pectore Cæsar;
Sola sed in ventos, quæ mala passus, eunt.
Mnemosynen alii laudent: me iudice, plaris
Sic oblivisci, quàm meminisse fuit.

De WILHELMO FURSTENBERGIO

Eorum filiolo, eâdem horâ nato, & denato.

An. M. DC. L.

Furstenbergiaco Wilhelmus sanguine cretus

Vivat ut æternùm, mœsti ne flete parentes,
Huic eadem vitam, quæ rapit, hora dedit.
