*Apostrophe
ad Euam.*

Quoties ori admotū cōpuncta retraxit,
Audacisq; malī titubās sub pōdere dextra
Cessit, & effectū sceleris tremefacta refugit.
Dñs tamen esse cupit similis, serpitq; venenū
Ambitione nocens; rapiunt contraria mentē,
Hinc amor inde timor, dubiā iactantia pulsat;
Interdumq; etiā lex subuenit; æstuat anceps
Ambigui cordis dura inter prælia fluctus.
Nec tamen incentor desistit fallere serpens,
Ostentatq; cibū dubiæ, queriturq; morari.

VT tandem victæ grauior sententia sedit
Æternā tentare famem per criminis escā,
Serpentē satiare cibo quē sumeret ipsa;
Annuīt insidijs, & pomū morfa momordit.
Dulce subit virus, capitur mors horrida pastu.
Continet hic primū sua gaudia callidus anguis,
Dissimulatq; ferū victoria sæua triumphum.
